IN RE:

STRUDEL HOLDINGS LLC, *et al.*,  
Debtors.

CASE NO: 23-90757

Jointly Administered  
CHAPTER 11

**SECOND ORDER RELATING TO THE  
CHARIF SOUKI STATEMENT AT DOCKET NO. 355**

It appears the Court failed to properly articulate sound guidance in its prior Order at Docket No. 371. Some Professionals continued to receive wire transfers well after the Court entered the Order. So to avoid any further confusion, no Professional is permitted to accept any more wire transfers from Charif Souki or any third party that may relate to professional fees incurred in this case without an order from this Court. The Court will consider this matter at the February 22 hearing.
